Gorgeous new showstopper on a large, flat, lot built with quality by White Mountain Construction! Open your new front door to immediately be engulfed by streams of natural light beaming from the oversized windows along the back wall. A soaring ceiling with beams awaits you in the living room with an exquisite fireplace and more natural light from all the windows. Living room opens to a gorgeous kitchen with stainless appliances, modern cabinets, quartz countertops with quartz waterfall island and large dining area. Primary bedroom on main level with big walk-in-closet including a washer and dryer hookup. Ensuite has dual vanities, custom tile shower and soaker tub. Powder room and large garage with mud area round out main level. Upstairs, you'll find a loft that would make a great flex space or office, two guest bedrooms, full bath, second laundry room and a bonus room (could be a 4th bedroom). Covered, corner back porch with wood ceiling opens to a huge flat backyard. Close to trails, Loch Lomand and lots of golf!
